PITTSBURGH PA 15219**

**RE: Transmission Service Charge
Effective June 1, 2022
M-2022-3032237**

Dear Mr. Zimmerman:

The Bureau of Audits has reviewed Duquesne Light Company's proposed Supplement No. 47 to Tariff Electric-Pa. P.U.C. No. 25 and the supporting rate computations submitted in a preliminary filing on April 29, 2022 and updated in a final filing on May 18, 2022, to become effective on June 1, 2022.

Based upon staff review, it appears that the proposed Transmission Service Charge (TSC) rates for the twelve-month period of June 1, 2022 through May 31, 2023, are consistent with the tariff, and accordingly are permitted to become effective as filed.

The TSC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Any subsequent submission to the Commission related to this docketed case should reference Docket No. M-2022-3032237.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first name being more prominent.

Rosemary Chiavetta
Secretary
