RE: Non-Bypassable Transmission Service Charge
Effective June 1, 2022
M-2022-3032453

Dear Mr. Webster:

The Bureau of Audits has reviewed PECO Energy Company's proposed Supplement No. 8 to Tariff Electric – Pa. P.U.C. No. 7 and the supporting rate computations submitted on May 13, 2022 to become effective on June 1, 2022.

Based upon staff review, it appears that the proposed Non-Bypassable Transmission Service charge (NBT) rates for the six-month period of June 1, 2022 through November 30, 2022 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The NBT is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2022-3032453.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first letter of each word being capitalized and prominent.

Rosemary Chiavetta
Secretary
