RE: Electric Generation Supplier License Application

Dear Jody Spaeth:

On March 24, 2022, the Public Utility Commission (Commission) accepted Chautauqua Energy Management, Inc.'s application for an Electric Generation Supplier license. In order for us to complete our analysis of your application, the Energy Industry Group requires answers to the attached questions.

Please use the Commission's efilng system or an overnight delivery service to submit the requested information to the Secretary of the Commission **within 30 days** from the date of this letter. The Commission accepts all public documents through our efilng system and **strongly recommends companies open an efilng account** through the Commission's website at <https://efiling.puc.pa.gov>. Use of the efilng system will ensure that submissions by the company are received timely and receipt can be verified. Failure to respond timely may result in the application being denied.

If your filing contains confidential material, you are required to either file by overnight delivery or submit to the Secretary's Share Point File system to ensure the timely filing of your submission. Filers should contact the Secretary's Bureau in advance to gain access to the Share Point File system. Make sure to reference the Docket Number listed above and mark the materials "CONFIDENTIAL" in bold or highlighted manner if any of the requested information is deemed to be of a confidential nature.

The overnight address for hard-copy or confidential responses is:

Rosemary Chiavetta, Secretary
Pennsylvania Public Utility Commission
400 North Street
Harrisburg, PA 17120

Your answers should be verified per 52 Pa Code § 1.36. Accordingly, you must provide the following statement with your responses:

I, [print name of appropriate company representative], hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. § 4904 (relating to unsworn falsification to authorities).

Item #1

- c. **PROPOSED SERVICES:** Describe in detail the electric services or the electric generation services which the Applicant proposes to offer.

Chautauqua Energy Management, Inc. would like to offer electric brokerage and consulting services to commercial and industrial customers in Pennsylvania behind the Electric Distribution Companies identified below as opportunities present themselves (with existing natural gas customers, from referrals and through direct sales efforts).

Chautauqua Energy Management will evaluate the purchasing needs of its clients and then reach out to its network of PA electric suppliers for pricing to meet the needs of these customers. Prices/products will be evaluated and recommendations will be made to the customer based on the offers provided. Chautauqua Energy Management will at no time take title to the power and will simply recommend and help facilitate the signing of contracts between the customer and the supplier. Chautauqua Energy Management's fees will be incorporated into the price/product offers and will be paid to the company by the supplier.

- d. **PROPOSED SERVICE AREA:** Check the box of each Electric Distribution Company for which the Applicant proposes to provide service.

- e. **CUSTOMERS:** Applicant proposes to provide services to:

- Residential Customers
- Small Commercial Customers - (25 kW and Under)
- Large Commercial Customers - (Over 25 kW)
- Industrial Customers
- Governmental Customers
- All of above
- Other (Describe):
- Residential and Small Commercial Customers in a Mixed Meter Capacity -
This customer class reflects situations in which a large commercial, industrial, and/or governmental customer account also contains features of residential and/or small commercial customers. In this instance, the residential and/or small commercial portion must be an incidental portion of the larger account. **This customer class alone does not allow marketing targetted directly to residential and/or small commercial customers.** Further information may be found in the Requirements Applicable to Mixed Meter Scenarios Secretarial Letter served March 25, 2011, at Docket No. M-2009-2082042.

- f. **START DATE:** Provide the approximate date the Applicant proposes to actively market within the Commonwealth.

Chautauqua Energy Management, Inc. would like to commence marketing activities as soon as possible in 2022. Depending on how long the review and approval process ultimately ends up taking, we're targeting a late first quarter 2022 start.
