RE: Bond Continuation Certificate  
United Power Consultants Inc.  
A-2019-3012045

Dear Sir/Madam:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of United Power Consultants Inc. because is it a copy and not acceptable. Additionally, despite your letter indicating that the surety company would not sign the continuation until the current bond is expired, please note that an original of the same continuation, signed by the surety company before the expiration date, was provided by United Power Consultants Inc.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of an electric supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

As an original signed and sealed continuation certificate was provided by United Power Consultants Inc., no further action is required from you at this time.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is written in a cursive, flowing style.

Rosemary Chiavetta  
Secretary of the Commission
