Re: Talen Energy Marketing, LLC (PA License No. A-110098); Notice of Material Change

Dear Secretary Chiavetta:

Pursuant to 52 Pa. Code § 54.34, this correspondence is to advise the Pennsylvania Public Utility Commission ("PUC") that Talen Energy Marketing, LLC ("TEM") has undergone a material change in its organizational structure and operations by voluntarily filing for reorganization under Chapter 11 of the U.S. Bankruptcy Code on May 9, 2022. See May 9, 2022. See *In re Talen Energy Supply LLC*, Chapter 11 Case No. 22-90054 (Bankr. S.D. Tex. May 9, 2022) (MI).

In accordance with its rights under bankruptcy law and as part of its bankruptcy filing, TEM has rejected certain customer contracts. In order to ensure continuity of service to affected customers, TEM is coordinating with the relevant electric distribution companies to transfer affected customers to default service. Affected customers have been sent written notice of the bankruptcy, the rejection of their contracts, and the transfer to default service.

Please note that TEM does not currently serve any residential customers in Pennsylvania and that TEM intends to maintain its electric generation supplier license for service to certain commercial and industrial customers as it emerges from bankruptcy. TEM intends to satisfy all PUC reporting and other regulatory requirements in order to maintain its license.

Thank you for your attention to this matter. If you would like additional information, please contact Debra L. Raggio, SVP, Regulatory and External Affairs Counsel at 703-778-0841 or debra.raggio@talenergy.com.

Sincerely,

COZEN O'CONNOR
