Enclosures

cc: All Parties of Record

4. Norfolk Southern proposes to replace the existing crossing surface from concrete crossing panels to an asphalt and rubber rail seal crossing surface in accordance with Norfolk Southern's standards and the concurrence of the Commonwealth of Pennsylvania, Department of Transportation (PennDOT).

5. The subject crossing is located at Mile Post HA 0686.550 on the D & H South Subdivision of the Keystone Division on the Sunbury Line. A map of the project location is attached hereto and marked as Exhibit "A".

6. The purpose of the project is to enhance the public safety. The current crossing surface is broken concrete, which has deteriorated beyond practical maintenance, and replacement is necessary to assure the continued safe passage of vehicular traffic.

7. A list of all persons, parties and entities concerned in or potentially affected by the proposed project is attached hereto and marked as Exhibit "B".

8. All work indicated in Paragraph 4 will be performed at Norfolk Southern's sole cost and expense.

9. Norfolk Southern plans to perform the work described herein the week of August 8-12, 2022.

WHEREFORE, Norfolk Southern, respectfully requests this Honorable Public Utility Commission to approve its Application for the project as stated herein.

Respectfully submitted,

NAUMAN, SMITH, SHISSLER & HALL, LLP
