The York Water Company (Wastewater) :

**COMPLAINT OF THE
SMALL BUSINESS ADVOCATE**

1. The Complainant is:

The Small Business Advocate
555 Walnut Street
Forum Place, 1st Floor
Harrisburg, PA 17101
(717) 783-2525

2. The name and address of the attorney for the Office of Small Business Advocate (“OSBA”) is:

Steven C. Gray
Senior Supervising
Assistant Small Business Advocate
Office of Small Business Advocate
555 Walnut Street
Forum Place, 1st Floor
Harrisburg, PA 17101
(717) 783-2525

3. The respondent utility is:

The York Water Company
130 East Market Street
York, PA 17401-1219

4. The Complainant is authorized and directed by the Small Business Advocate Act, Act 181 of 1988, 73 P.S. §§ 399.41 - 399.50, to represent the interests of small business consumers of utility services in matters before the Pennsylvania Public Utility Commission (“Commission”).

5. This Complaint is filed against the rates, terms, and other provisions of Supplement No. 143 to Tariff Water-Pa. P.U.C. No. 14 (“Supplement No. 143”) and Supplement No. 14 to Tariff Wastewater-Pa. P.U.C. No. 1 (“Supplemental No. 14”) which were filed with the Commission on May 27, 2022, by The York Water Company (“York Water” or the “Company”). The rates set forth in Supplement No. 143, if approved by the Commission, would increase York Water’s annual water revenues by \$18,853,738. The rates set forth in Supplement No 14, if approved by the Commission, would increase York Water’s annual wastewater revenues by \$1,456,792.

6. After preliminary review of the materials filed by York Water in support of the proposed Tariffs, Complainant believes, and therefore avers, that those materials may be insufficient to justify the rate increases requested and that the Company’s present and proposed rates, rules, and conditions of service may be unjust, unreasonable, unduly discriminatory, and otherwise contrary to law, particularly as they pertain to small business customers.

7. Complainant believes, and therefore avers, that York Water’s proposed tariff changes and proposed rates, rate design, and revenue allocation are or may be unjust, unreasonable, and unlawfully discriminatory in violation of, *inter alia*, Sections 1301 and 1304 of the Public Utility Code, 66 Pa. C.S. §§1301 and 1304, and contrary to appropriate public policy and sound ratemaking considerations, and may not be supported by the materials filed by the Company.

8. In view of the foregoing, the Small Business Advocate respectfully requests that the Pennsylvania Public Utility Commission:

- A. Suspend and investigate the operation of Supplement No. 143 and Supplement No. 14;
- B. At the conclusion of such investigation, reject the proposed new rates and other tariff changes in Supplement No. 143 and Supplement No. 14 to the extent required to make certain that York Water's rates are lawful, just, reasonable, and not unduly discriminatory to small business customers; and
- C. Grant such other relief as may be necessary or appropriate.

Respectfully submitted,

/s/ Steven C. Gray

**PUBLIC STATEMENT OF
THE OFFICE OF SMALL BUSINESS ADVOCATE**

The Small Business Advocate is authorized and directed to represent the interest of small business consumers of utility services in Pennsylvania under the provisions of the Small Business Advocate Act, Act 181 of 1988, 73 P.S. §§ 399.41 - 399.50 (“Act”). The Act further provides that the Small Business Advocate is to issue publicly a written statement stating concisely the specific interest of small business consumers to be protected by his initiation of or intervention in any proceeding involving those interests before the Public Utility Commission (“Commission”) or any other agency or court. This public statement relates to the filing today by the Small Business Advocate of a complaint against the proposed base rate tariff filings of The York Water Company (“York Water” or the “Company”), which would increase the water revenue of York Water by \$18,853,738 per year, and increase the Company’s wastewater revenue by \$1,456,792 per year.

The Small Business Advocate files this formal complaint against York Water’s proposed base rate tariff filings in order to protect the interests of the Company’s small business customers. A thorough inquiry by the Commission into all elements of the Company’s proposed base rate tariff filings is necessary to ensure that the tariff filings are lawful, just, reasonable, and not unduly discriminatory to York Water’s small business customers.

In view of the foregoing, the Small Business Advocate will participate in proceedings before the Public Utility Commission to investigate the reasonableness of the proposed base rate tariff filings. The Small Business Advocate will ask the Commission to deny any proposed new rates and other tariff changes that apply to small business customers that are not proven by York

Water to be lawful, just, reasonable, and not unduly discriminatory to the Company's small business customers.
