Pennsylvania Public Utility Commission

Rosemary Chiavetta, Secretary

400 North St

Harrisburg, PA 17120

Re: Tentative Order: M-2022-3030286, Docket: M-2021-3023559, License: A-2020-3021546

To whom it may concern:

Greencrown Energy, LLC sincerely apologizes for not sending the continuation certificate for our Pennsylvania Bond. The continuation certificate was completed and dated on May 5th, 2022, but due to an internal error it was not remitted to the Pennsylvania Public Utility Commission in a timely manner.

In short, we submitted our renewal documents prior to receiving our continuation certificate. We then neglected to follow up on our renewal submission and include the continuation certificate due to a new process resulting from Greencrown's decision to move away from working with a licensing company, and handle licensing internally. This was an internal process issue that has been resolved, and one that we can confidently state will not occur again in the future. We take pride in our ability to execute for our customers with the highest degree of attention to detail and professionalism, and this oversight does not accurately reflect Greencrown's standard business practices.

As per the Tentative Order received on June 16, 2022, I will be submitting this letter via e-filing as well as submitting this electronically to Rosemary Chiavetta and following up with a hard copy, with our original bond continuation document enclosed, to Rosemary Chiavetta. I was able to confirm with Lee Yalcin that there is no need to file comments or publish our bond in the Pennsylvania Bulletin and that this letter would suffice as our comments to the Commission.

We respectfully request for the Commission to reconsider cancelling our Electric Generation Supplier License. Enclosed is a copy of our continuation certificate for your records, dated May 5, 2022.

Please do not hesitate to let us know if anything else is required.

Thank you so much for your understanding and consideration,

A handwritten signature in black ink, appearing to read "J Magnani", is written over a light grey horizontal line.
