**Re: Pennsylvania Public Utility Commission v.
Pennsylvania-American Water Company
Docket No. R-2022-3031672 (Water)
Docket No. R-2022-3031673 (Wastewater)**

Dear Secretary Chiavetta:

Pennsylvania-American Water Company (“PAWC” or the “Company”) has been served with a number of formal complaints in the above-captioned matter and anticipates that additional formal complaints will be filed. On June 16, 2022 the Pennsylvania Public Utility Commission (the “Commission”) entered an Order initiating an investigation of the Company’s rate increase request at the above-referenced docket numbers. Consistent with Commission practice, the Company anticipates that all complaints filed with respect to its proposed rate increase will be consolidated in that proceeding. Accordingly, with respect to the complaints that have been filed for which answers are not yet due, and any complaints hereafter filed, the Company, in lieu of filing answers thereto, will rely upon 52 Pa. Code § 5.61(d), which provides:

For complaints which are docketed with Commission-instituted rate proceedings, an answer may be filed within 10 days of date of service. However, an answer is not required, except as may be directed by the Commission or the presiding officer.

If the presiding Administrative Law Judge or the Commission believe that answers should be filed to any complaints and hereafter directs the Company to do so, we request that the Company be provided 10 days from the date of such directive to file answers to such complaints.

Very truly yours,
