**RE: Generation Supply Charge-1
Section 1307(e) Reconciliation Statement
For the 12 months ended March 31, 2022
M-2022-3032273**

Dear Ms. Klock:

The Bureau of Audits has reviewed PPL Electric Utilities Corporation's Generation Supply Charge-1 (GSC-1) Section 1307(e) Reconciliation Statement for the 12 months ended March 31, 2022.

Based upon staff review, it appears that the GSC-1 Section 1307(e) Reconciliation Statement, filed on May 2, 2022, is mathematically accurate and, accordingly, shall be deemed an adequate filing within the meaning of Section 1307(e) of the Public Utility Code, 66 Pa.C.S. § 1307(e).

Acceptance of the GSC-1 Section 1307(e) Reconciliation Statement is expressly subject to such further review and revision as may be found necessary as the result of a subsequent Commission audit or some other proceeding. Acceptance shall not constitute approval of either the accuracy of the reported figures or the reasonableness of the underlying transactions.

This Secretarial Letter does not preclude a party from later filing a complaint on the substance or operation of the adjustment clause rate change filing. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2022-3032273.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first name being more prominent.

Rosemary Chiavetta
Secretary
