RE: PECO Energy Company – Electric
Distribution System Improvement Charge
Effective July 1, 2022
M-2022-3033168

Dear Mr. Webster:

The Bureau of Audits has reviewed PECO Energy Company's proposed Supplement No. 10 to Tariff Electric – Pa. P.U.C. No. 7 and the supporting rate computations submitted on June 20, 2022, to become effective on July 1, 2022. In the filing, the company is proposing to reset its DSIC rate to 0.00% due to the company's base rate case at Docket No. R-2021-3024601.

Based upon staff review, it appears that the proposed Distribution System Improvement Charge (DSIC) rate for the three-month period of July 1, 2022, through September 30, 2022, is consistent with the tariff and, accordingly, is permitted to become effective as filed.

The DSIC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa.C.S. § 1307(e).

Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2022-3033168.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is written in a cursive, flowing style.

Rosemary Chiavetta
Secretary
