Re: Philadelphia Gas Works Universal Service and Energy Conservation Plan for
2023-2027 Submitted in Compliance with 52 Pa. Code § 62.4 – Docket No.
M-2021-3029323
Request for Extension of Time to Provide Supplemental Information

Dear Ms. Burge:

On June 16, 2022, the Pennsylvania Public Utility Commission (Commission) entered an Order (June 16 Order) which requested additional information regarding the proposed 2023-2027 Universal Service and Energy Conservation Plan for Philadelphia Gas Works (PGW). In the June 16 Order, the Commission directed PGW to file and serve requested supplemental information within twenty (20) days after the entry date of the Order (*i.e.*, by July 6, 2022).

On June 21, 2022, PGW requested a 15-day extension for submitting its supplemental information. PGW asserts that it has limited staff and resources available to prepare the required responses by the Commission's deadline. PGW submits the additional 15 days would allow it to provide complete responses to the Commission's requests

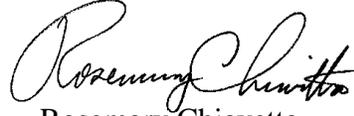

Please be advised that PGW's request for an extension of 15 days to file its supplemental information in this proceeding is granted. PGW shall file this information no later than July 21, 2022.

Comments in this proceeding are due twenty (20) days after this extended deadline, and reply comments are due fifteen (15) days thereafter or August 10, 2022, and August 25, 2022, respectively.
