Re: Tax Cuts and Jobs Act of 2017 (TCJA) Voluntary Surcharge Rate Change - Distribution of the Amortized Amount of Excess Accumulated Deferred Income Taxes

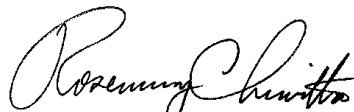

Dear Ms. Savage:

On June 21, 2022, Metropolitan Edison Company filed Supplement No. 120 to Tariff Electric - Pa. P.U.C. No. 52, Pennsylvania Electric Company filed Supplement No. 133 to Tariff Electric - Pa. P.U.C. No. 81, Pennsylvania Power Company filed Supplement No. 114 to Tariff Electric - Pa. P.U.C. No. 36, and West Penn Power Company filed Supplement No. 105 to Tariff Electric - Pa. P.U.C. No. 40 and Supplement No. 64 to Tariff Electric - Pa. P.U.C. No. 38 to become effective July 1, 2022. The supplements were filed in compliance with the Commission Orders entered June 16, 2022 at the above dockets, and change the TCJA surcharges to distribute the amortized amount of excess deferred income taxes associated with the TCJA for the period of January 1, 2018 through December 31, 2021.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, the supplements are effective by operation of law as of the effective date contained on each page. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.
