### **III. GROUNDS FOR PROTEST**

7. As the proponent of an order seeking the issuance of a certificate of public convenience, the Applicant carries the burden of proof. 66 Pa.C.S. § 332(a). Applicant has not made a sufficient and adequate showing that it possesses, or is likely to possess, sufficient technical and financial ability to allow the Commission to find or determine that granting a certificate of public convenience to the Applicant is necessary or proper for the service, accommodation, convenience or safety of the public pursuant to Section 1103(a) of the Public Utility Code. 66 Pa.C.S. § 1103(a). In addition, Applicant has not made a sufficient and adequate showing that it is likely to operate safely when providing paratransit service.

8. Applicant has failed to provide a sufficient description of its facilities, including a description of its physical location, the office machines that will be utilized for the business and

the facility to house the vehicles, as required by the Commission's Application at ¶4 of the "Verified Statement of Applicant". In addition, Applicant has failed to describe its record maintenance plan, including an explanation of its plan to maintain records required by the Commission at 52 Pa. Code § 29.111, as well as normal business records, as required by Application at ¶4 of the "Verified Statement of Applicant".

9. On the issue of technical fitness, the Applicant has failed to provide sufficient information required by the Commission's Application Verified Statement form at ¶5 regarding its hiring standards for drivers, its system for conducting criminal background checks, and policies regarding alcohol and drug use by drivers. Applicant has identified only one principal. Applicant has not identified any employees, including dispatchers, who will be responsible for the conduct of the business that could take place throughout portions of Pennsylvania. The Applicant purports to be prepared to evaluate drivers for their fitness and both train and test prospective drivers, but has offered no support to demonstrate that individuals qualified to provide driver evaluation, training and testing are part of the business. All of these omissions indicate that Applicant lacks the technical fitness to operate as a common carrier providing paratransit service, and Applicant cannot demonstrate that it is likely to operate safely when providing service.

10. The Applicant appears to have prior experience in the Group and Party service, but no prior experience in paratransit services. The Applicant has not substantiated if the vehicles are equipped with the medical or handicap devices appropriate to paratransit service. Further, the Applicant did not provide a statement as to why the total number of vehicles it plans to use is appropriate to provide reasonable and efficient service to the large territory it plans to serve.

11. Applicant has failed to provide sufficient information required by the Commission's Application Verified Statement form at ¶ 5 regarding its hiring standards for

drivers, its system for conducting criminal background checks, the driver training program, the system for conducting criminal background checks, and policies regarding alcohol and drug use by drivers. The Applicant asserts that they have policies in place, but there are no policies made part of the Application. The mere assertion does not provide evidence to demonstrate that Applicant has appropriate policies and procedures which will be applicable to and sufficient for these requirements. Further, the Applicant has offered no support to demonstrate that individuals qualified to provide driver evaluation, training and testing are part of the business. All of these omissions indicate that Applicant lacks the technical fitness to operate as a common carrier providing paratransit service, and Applicant cannot demonstrate that it is likely to operate safely when providing service.

12. The Applicant has not demonstrated that it is sufficiently familiar with Pennsylvania Department of Transportation vehicle equipment inspection standards in order to ensure the Commission that the applicable standards are and will be met at all times when its vehicles are being operated as required by Commission regulations. 52 Pa. Code § 29.402(1). Applicant has provided insufficient information requested in the Commission's "Verified Statement of Applicant" at ¶7 regarding its vehicle safety program or its system for ensuring it vehicles will continuously comply with applicable Pennsylvania vehicle equipment standards.

13. The Applicant indicates it has attached an insurance policy, but there are no insurance details identified in the Application. Applicant has not, therefore, demonstrated it can obtain insurance and pay the required premiums as requested in the Commission's "Verified Statement of Applicant" at ¶8.

14. The Applicant has also failed to provide sufficient evidence of financial fitness. The Applicant has not provided adequate details in connection to its financial position. There is

no indication Applicant is prepared to follow generally accepted accounting principles in its record keeping, as required by the Commission. 52 Pa. Code § 29.41(a). The Applicant has not provided a financial statement. There is no indication the business will have sufficient liquidity in the form of a line of credit, sufficient cash or other funding sources available to cover the reasonable and customary costs of operating its proposed service. The adequacy of the business assets cannot be evaluated and found sufficient because no business assets have been identified.

15. The grounds for Protest are not limited to the above but are by way of example. Protestants reserve the right to supplement the basis for this Protest as information is developed.

WHEREFORE, for all the foregoing reasons, the Joint Protestants respectfully request that they be granted full party status in this proceeding as Protestants and, absent a resolution of this proceeding in the next sixty (60) days, that hearings be scheduled so that the Commission may develop an evidentiary record concerning the issues raised in this Joint Protest, and that the Application of Loving Care Senior Services, Inc. be denied.

Respectfully submitted,
