Re: Application of Pennsylvania-American Water Company – Wastewater Division;  
Compliance Tariff Filing

Dear Ms. Triscari:

By Order entered September 15, 2021, the Commission authorized Pennsylvania-American Water Company – Wastewater Division (the Company) to file a tariff supplement consistent with the *pro forma* tariff supplement submitted with the above-docketed Application as Appendix A-12, to be effective upon the day of Closing of the Transaction. On June 30, 2022, the Company filed Supplement No. 38 to Tariff Wastewater - Pa. P.U.C. No. 16 to become effective June 30, 2022 in compliance with the Order. The supplement authorizes the Company to begin to offer or furnish wastewater service to the public in Upper Pottsgrove Township, Montgomery County and Douglass Township, Berks County.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 38 to Tariff Wastewater - Pa. P.U.C. No. 16 is effective by operation of law as of the effective date. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

Sincerely,

Rosemary Chiavetta
