Re: Natural Gas Supplier License of Eastern Energy Field Services Inc.

Dear Mr. Seamon:

On May 5, 2022, Dominion Energy Field Services, Inc. (Dominion Energy Field Services) filed a request with the Commission to change the name on its license to provide natural gas services, as a supplier, to Eastern Energy Field Services Inc. (Eastern Energy Field Services).

Currently, Dominion Energy Field Services is licensed as Dominion Energy Field Services, Inc. as a supplier to large commercial (6,000 MCF or more annually), industrial, and governmental customers in the natural gas distribution company service territory of Peoples Natural Gas Company, LLC, within the Commonwealth of Pennsylvania.

Eastern Energy Field Services has provided the proper Pennsylvania Department of State documentation and has provided proof of service to the interested parties as required by the Commission.

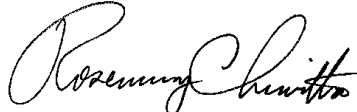

Therefore, the Commission approves, by this Secretarial Letter, the change of Dominion Energy Field Services, Inc.'s name on its license for the provision of natural gas services as a supplier.

**The Secretary's Bureau will issue a new license to Eastern Energy Field Services Inc. the right to begin to offer, render, furnish, or supply natural gas services as a supplier to large commercial (6,000 MCF or more annually), industrial, and governmental customers in the natural gas distribution company service territory of Peoples Natural Gas Company, LLC, within the Commonwealth of Pennsylvania.**

**The Secretary's Bureau and the Bureau of Administration, Financial and Assessments will update the company's name in their computer systems and lists, as appropriate, to be Eastern Energy Field Services Inc.**
