**PHILADELPHIA GAS WORKS’  
PRELIMINARY OBJECTION TO THE FORMAL COMPLAINT**

Philadelphia Gas Works (“PGW” or “Respondent”) submits the following Preliminary Objection to the Formal Complaint of Selina Wilson (“Complainant”) served by the Secretary of the Pennsylvania Public Utility Commission (“Commission” or “PUC”) on June 30, 2022 (“Complaint”). Pursuant to 52 Pa. Code § 5.61 and 5.101(d) of the Commission’s regulations, PGW filed an Answer with New Matter to the Complaint on this same date. In support of this Preliminary Objection, PGW states as follows:

**I. INTRODUCTION**

As more fully set forth in PGW’s Answer with New Matter, Complainant is seeking relief from a balance from 2014.

PGW avers that the Complaint raises issues that are beyond the Commission’s jurisdiction as the Commission lacks jurisdiction over claims that are beyond the statute of limitations at 66 Pa.C.S. § 3314.

**II. LEGAL STANDARDS FOR PRELIMINARY OBJECTIONS**

1. The Commission’s Rules of Administrative Practice and Procedure permit the filing of preliminary objections.<sup>1</sup> The Commission’s procedure regarding the disposition of preliminary objections is similar to that utilized in Pennsylvania civil practice.<sup>2</sup>

2. Under Section 5.101(a) of the Commission’s regulations, preliminary objections must specifically state the legal and factual grounds relied upon and be limited to the following:

---

<sup>1</sup> 52 Pa. Code § 5.101(a)(1)-(7). *Equitable Small Transportation Interveners v. Equitable Gas Company*, 1994 Pa. P.U.C. LEXIS 69, Docket No. C-00935435 (July 18, 1994).

<sup>2</sup> *Id.*

- (1) Lack of Commission jurisdiction or improper service of the pleading initiating the proceeding;
- (2) Failure of a pleading to conform to this chapter or the inclusion of scandalous or impertinent matter;
- (3) Insufficient specificity of a pleading;
- (4) Legal insufficiency of a pleading;
- (5) Lack of capacity to sue, nonjoinder of a necessary party or misjoinder of a cause of action;
- (6) Pendency of a prior proceeding or agreement for alternative dispute resolution; and
- (7) Standing of a party to participate in the proceeding.

3. The moving party may not rely on its own factual assertions but must accept for the purposes of disposition of the preliminary objection all well-pleaded, material facts of the other party, as well as every inference fairly deducible from those facts.<sup>3</sup> However, the Commission need not accept as true conclusions of law, unwarranted inferences from facts, argumentative allegations or expressions of opinion.<sup>4</sup>

4. In deciding the preliminary objections, the Commission must determine whether, based on the well-pleaded factual averments of the party, recovery or relief is possible.<sup>5</sup>

### **III. PRELIMINARY OBJECTIONS BY PGW**

5. PGW's responses to Paragraphs 1 to 7 of the Complaint are incorporated herein by reference. In addition, PGW's New Matter to the Complaint is also incorporated herein by reference as well as the exhibits attached thereto.

#### **A. Dismissal Based on Lack of Commission Jurisdiction**

6. Section 5.101(a)(1) of the Commission's regulations permits a party to file a preliminary objection based on the lack of Commission jurisdiction. To act on the Complaint, the Commission must have jurisdiction. The Commission, as a creation of the General Assembly, has only the powers and authority granted to it by the General Assembly contained in the Public Utility Code. The Commission must act within, and cannot exceed, its jurisdiction. Jurisdiction may not be conferred by the parties where none exists. Subject matter jurisdiction is a prerequisite to

---

<sup>3</sup> County of Allegheny v. Cmwlth. of Pa., 490 A.2d 402 (Pa. 1985).

<sup>4</sup> Stanton-Negley Drug Co. v. Dep't of Pub. Welfare, 927 A.2d 671, 673 (Pa. Cmwlth. 2007).

<sup>5</sup> Department of Auditor General, et al. v. SERS, et al., 836 A.2d 1053, 1064 (Pa. Cmwlth. 2003); P.J.S. v. Pa. State Ethics Commission, 669 A.2d 1105 (Pa. Cmwlth. 1996).

the exercise of power to decide a controversy.

7. The statute of limitations at 66 Pa.C.S. § 3314 is a jurisdictional issue. It requires that any complaint seeking relief under the Public Utility Code be brought within three years from the date at which the liability therefor arose. As a jurisdictional issue, the statute of limitations and the Commission's lack of jurisdiction may be raised at any time. *See, e.g., Application of Laurel Pipeline Company*, Docket No. A-2016-2575829 (Order entered July 12, 2018) and *Hasty v. Philadelphia Gas Works*, Docket No. C-2014-2419203 (Final Order entered January 27, 2015).

8. From her Complaint, it appears that Complainant is seeking relief from a balance from 2014. *See* Complaint at ¶ 4.

9. Even factoring in the period that the statute tolled due to Complainant's Informal Complaint at BCS Docket No. 3334211, any cause of action relating to that balance still falls beyond the statute of limitations.<sup>6</sup>

#### IV. CONCLUSION

WHEREFORE, PGW respectfully requests that this Commission grant PGW's preliminary objection, dismiss the issues raised in the Complaint that are beyond the statute of limitations, and grant any other relief to PGW that is deemed to be reasonable and appropriate.

Respectfully submitted,

/s/ Graciela Christlieb

---

<sup>6</sup> Three years from April 3, 2013 (date of final bill after service termination at Lycoming Street) is April 3, 2016. Complainant's informal complaint at BCS Docket No. 3334211 was open from April 14, 2015 to November 16, 2015; 216 days. The addition of those days pushes the statute of limitations deadline from August 1, 2021 to August 21, 2021.
