To Whom It May Concern:

The purpose of this Letter is to advise you that your Application, Docket No. A-2022-3032392, has been **DENIED** by the Pennsylvania Public Utility Commission (Commission). The Commission has determined that a Certificate of Public Convenience **WILL NOT BE GRANTED** for the following reason(s):

- **Insufficient Verified Statement of Applicant – Financial Information.** The Commission has determined that the financial statements included in your Verified Statement of Applicant are not sufficient to show that you possess sufficient capital to operate safely, reasonably, and efficiently. On June 14, 2022, the Commission sent you a letter requesting that you to submit additional information with greater details regarding your financial position. That letter advised you that failure to comply with this request within ten (10) days would result in denial of your application. To date, more than ten (10) days later, you have not filed this information with the Commission.
- **The record demonstrates that the Applicant lacks the technical ability to provide the proposed service safely and legally.** It is the responsibility of the applicant seeking operating authority to demonstrate that it has the technical ability to provide the proposed service. As per 52 Pa. Code §41.14, applications may be denied if the applicant fails to satisfy fitness standards. A review of the Verified Statement indicates that (1) the applicant does not have at least two (2) years' experience with a licensed mover or the equivalent since no evidence was provided as requested; and, (2) the applicant did not provide a copy of the Maintenance Plan from the rental company (Penske) for the rental truck, as requested.

For this reason(s), your application is **DENIED** and **DISMISSED**.
