Re: Electric Generation Supplier License of ENGIE Insight Services Inc. d/b/a ENGIE Impact

Dear Ms. Wasson:

On April 27, 2022, ENGIE Insight Services Inc. (ENGIE Insight Services) filed a request with the Commission to change the name on its license to provide electric generation services, as a broker/marketer, to ENGIE Insight Services Inc. d/b/a ENGIE Impact.

Currently, ENGIE Insight Services is licensed as ENGIE Insight Services Inc. as a broker/marketer to large commercial (over 25 kW demand), industrial, and governmental customers, and residential and small commercial (25 kW and under demand) customers (limited to mixed meters), in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

ENGIE Insight Services has provided the proper Pennsylvania Department of State documentation and has provided proof of service to the interested parties as required by the Commission.

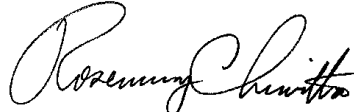

Therefore, the Commission approves, by this Secretarial Letter, the change of ENGIE Insight Services Inc.'s name on its license for the provision of electric generation services as a broker/marketer.

The Secretary's Bureau will issue a new license to ENGIE Insight Services Inc. d/b/a ENGIE Impact the right to begin to offer, render, furnish, or supply electric generation services as a broker/marketer to large commercial (over 25 kW demand), industrial, and governmental customers, and residential and small commercial (25 kW and under demand) customers (limited to mixed meters), in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

The Secretary's Bureau and the Bureau of Administration, Financial and Assessments will update the company's name in their computer systems and lists, as appropriate, to be ENGIE Insight Services Inc. d/b/a ENGIE Impact.

If you have any questions in this matter, please contact Jeff McCracken of the Bureau of Technical Utility Services at jmccracken@pa.gov or 717-783-6163.

Sincerely,
