**Re: Travis West & Daisy Wills-West v. PPL Electric Utilities Corporation**  
**Docket No. C-2022-3032707**

Mediator Rhoades:

The purpose of this letter is to report on the status of the above-referenced matter, as required by the Interim Order Setting Resolution Conference dated June 23, 2022.

On July 20, 2022, a resolution conference was held between PPL Electric Utilities Corporation (“PPL Electric” or the “Company”) and Travis West & Daisy Wills-West (“Complainants”). Participating in the resolution conference on behalf of the Company were PPL Electric Engineer Rich White, PPL Electric Manager-Transmission and Engineer Services Brendan Prego, and myself.

Although the parties were unable to resolve any issues during that resolution conference, PPL Electric remains willing to engage in settlement negotiations with the Complainants and does not believe it is necessary to refer the matter to the Office of Administrative Law Judge yet. As such, the Company requests an additional **60 days** before this matter is referred to the Office of Administrative Law Judge. This will allow the Company and the Complainants additional time to discuss potential resolution of the complaint. PPL Electric understands that the Complainants are amenable to this request. PPL Electric plans to submit another status report within 60 days of July 29, 2022, updating you on the status of settlement negotiations.

Should you have any questions or concerns regarding this matter, please do not hesitate to contact me.
