TO PARTIES OF RECORD:

RE: Lawrence Kingsley, Complainant
v. PPL Electric Utilities, Respondent
Docket Number C-2020-3019763

On August 1, 2022, the Commissioners received from the Complainant an ex parte communication regarding his formal complaint against PPL Electric Utilities (PPL) at the above captioned docket number. While the Complainant did indicate that a copy was sent to the Respondent's Counsel, Kimberly Krupka, the Complainant sent a copy to each member of the Pennsylvania Public Utility Commission.

This action constituted an ex parte communication, and since this matter is still pending before the Commission for final adjudication, such ex parte communications are prohibited under 66 Pa. C.S. Section 334(c) of the Pennsylvania Public Utility Code.

Since the Complainant has already filed timely exceptions with the Commission, and this matter is currently under consideration by the Commission for a final decision, the Complainant was advised by Secretarial Letter dated July 25, 2022, that no further filings would be accepted. Therefore, the filing creating the ex parte communication will not be placed upon the record of the docket for consideration. This Secretarial Letter curing the ex parte communication will be placed upon the docket.

Finally, the Complainant is directed not to submit any further filings to the Commission while his complaint case is still pending before the Commission for a final decision.

Sincerely,

Rosemary Chiavetta
Secretary of the Commission
