Docket No. P-2022-3032356
Utility Code: 110150

EMILY M FARAH
DUQUESNE LIGHT COMPANY
411 SEVENTH AVENUE
PITTSBURGH PA 15219

Re: Petition of Duquesne Light Company for a Finding that an Electrical Equipment Building at the Proposed Watson Substation is Reasonably Necessary for the Convenience or Welfare of the Public.

Dear Ms. Farah:

On May 2, 2022, Duquesne Light Company (Duquesne Light) filed a Petition for a finding that an electrical equipment building at the proposed Watson Substation is reasonably necessary for the convenience or welfare of the public. In order for us to complete our analysis of the subject application, the Bureau of Technical Utility Services requires answers to the enclosed data requests. This information is necessary for completion of our review of the filing.

Please forward the requested information to the Secretary of the Commission **within ten (10) days** of receipt of this letter. Failure to respond may result in the Petition being denied. As well, if Duquesne Light has decided to withdraw its filing, please reply notifying the Commission of such a decision.

All documents requiring notary stamps must have original signatures. The Commission strongly encourages submission through efilings with the Secretary of the Commission by opening an efilings account through the Commission's website and accepting eservice at <https://efiling.puc.pa.gov>. The Commission is accepting all public documents through our efilings system at this time.

If your filing contains confidential material, you are required to either file by overnight delivery or submit to the Secretary's Share Point File system to ensure the timely filing of your submission. Filers should contact the Secretary's Bureau in advance to gain access to the Share Point File system. Make sure to reference the Docket Number listed above when filing your response and mark the materials "CONFIDENTIAL" in bold or highlighted manner if any of the requested information is deemed to be of a confidential nature.

The overnight address for hard-copy or confidential responses is:

Rosemary Chiavetta, Secretary
Pennsylvania Public Utility Commission
400 North Street
Harrisburg, PA 17120

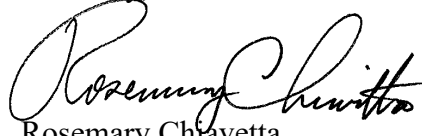

Your answers should be verified per 52 Pa Code § 1.36. Accordingly, you must provide the following statement with your responses:

I, [print name of appropriate company representative], hereby state that the facts above set Forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. § 4904 (relating to unsworn falsification to authorities).

Signature _____
Title _____
Date _____

In addition, to expedite analysis of the LON, send a copy of your response to Jordan Van Order at jvanorder@pa.gov. If any problems arise that prevent a full timely response or if any clarification of these data requests is needed, contact Jordan Van Order, Bureau of Technical Utility Services, at jvanorder@pa.gov (preferred) or 717-787-8763.

Sincerely,

Rosemary Chiavetta
Secretary

Data Requests

Docket No. A-2022-3032356

- A-1 Reference the Petition, Paragraphs 8 & 9. Please state the existing capacity without the proposed Watson Substation, the projected capacity needed, and the capacity after the proposed Watson Substation is placed into service.
- A-2 Reference the Petition, Paragraph 12. Please state the anticipated increase in reliability in terms of the customer average interruption duration index, system average interruption duration index, and system average interruption frequency index.
- A-3 Reference the Petition, Paragraph 20. Please state the approximate date Duquesne Light anticipates it will receive a PJM project number.
- A-4 Reference the Petition, Paragraph 23. Please explain why Duquesne Light is using a ring-bus configuration as opposed to a breaker-and-a-half configuration or straight-bus configuration.
- A-5 Reference the Petition, Paragraph 33. Please explain whether Duquesne Light considered any alternatives which would have met the project needs and conformed to the City of Pittsburgh's zoning ordinances.
