**TO ALL PARTIES OF RECORD**

Application of PPL Electric Utilities Corporation for approval to alter the public crossing (DOT 534 829 K) by the installation of a replacement utility pole, replacement aerial communication facility, and transfer of existing aerial facilities where W. Valley Road (SR 0487) crosses, at grade, one (1) track of SEDA-COG Joint Rail Authority, operated thereon by Shamokin Valley Railroad Company located in Shamokin Township, Northumberland County.

To Whom It May Concern:

The subject application was filed with the Commission on January 11, 2022.

By Secretarial Letter, dated February 18, 2022, the subject application and plan was approved, and PPL Electric Utilities Corporation (PPL) was directed to complete all work at the crossing by February 28, 2023.

By letter-petition received by the Commission July 21, 2022, PPL requested the subject application be withdrawn. By email dated July 21, 2022, PPL indicated that the project had been canceled.

Since PPL did not complete the work as directed, the Commission will rescind the Secretarial Letter dated February 18, 2022, and dismiss the proceeding for lack of prosecution.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and finds that:

1. The letter-petition received on July 21, 2022, be and is hereby granted.
2. The Secretarial Letter dated February 18, 2022, approving the subject application and plan be rescinded.
3. The application filed January 11, 2022, be withdrawn.
4. The case be "CLOSED."

The Commission has waived certain regulatory service provisions as directed by the Commission's Order at M-2021-3028321. Currently, while the Commission's physical facilities are open for business, some of the operational restraints occasioned by the pandemic remain. It is evident that the pandemic and its changing nature require certain procedural flexibility for the public, the regulated community, and the Commission. Toward this end, the Commission will continue to permit electronic service by the Commission on all parties, regardless of whether a particular party has agreed to electronic service. An exception to this general waiver is where the Public Utility Code requires service by specified means, e.g., Section 702. Additionally, service on Commission staff in proceedings pending before it, whether staff is a party or otherwise, shall be exclusively electronic unless the parties agree otherwise. Filings must be submitted by e-filing with the Secretary of the Commission by opening an e-filing account through the Commission's website and accepting eservice at <https://www.puc.pa.gov/filing-resources/efiling/>. If your filing contains confidential material, you are required to file by overnight delivery to ensure the timely filing of your submission.

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code §§ 1.31 and 5.44, file a Petition for Reconsideration from Staff Action (Petition) with the Commission within twenty (20) days of the date of this letter. The Petition shall be submitted by e-filing said petition within twenty (20) days, or if no timely request is made, the action will be deemed to be a final action of the Commission.

The Petition MUST include: (1) a written statement (divided into numbered paragraphs) outlining the reasons for the request; (2) the case docket number (it is provided for you at the top right-hand corner of this letter); (3) the party on whose behalf the petition is made; (4) a Certificate of Service on the other parties of record; and (5) a Verification with original signature in accordance with 52 Pa. Code § 1.36.

Very truly yours,

  
Rosemary Chiavetta  
Secretary
