Re: EarthGrid PBC  
Application for Approval to Offer, Render, Furnish or Supply Telecommunications Services  
to the Public in the Commonwealth of Pennsylvania

Dear Ms. Wightman:

Receipt is acknowledged of the Application of EarthGrid PBC (Applicant), received February 12, 2022, and amended July 22, 2022, for approval to offer, render, furnish, or supply telecommunications services to the public in the Commonwealth of Pennsylvania as a Competitive Access Provider (CAP). The Application has been reviewed and found to be in compliance with the Commission's filing requirements as set out in *Re: Implementation of the Telecommunications Act of 1996*, Docket No. M-00960799 (*Implementation Order*: June 3, 1996; and *Implementation Reconsideration Order*: September 9, 1996) (*Implementation Orders*).

Pursuant to the *Implementation Orders*, the Applicant now has provisional authority to provide CAP services in Pennsylvania pursuant to its proposed tariff. However, this provisional authority may be revoked if, upon further Commission review, the Application is found to contain deficiencies.

Please note provisional authority is only being granted for telecommunications services that are under the jurisdiction of the Pennsylvania Public Utility Commission.

This matter is being referred to the Bureau of Technical Utility Services for analysis and to schedule it for consideration by the Commission at Public Meeting. If you have any questions in this matter, please contact John-Paul Rodgers, Telco Section, Bureau of Technical Utility Services at (717) 214-9115 or [johndodgers@pa.gov](mailto:johndodgers@pa.gov).

Sincerely,

Rosemary Chiavetta  
Secretary
