RE:Docket NO. C2022-3033965

Dear Rosemary

My name, Raymond Martin age, 82 tomorrow. Answer to notice dated August 11,2022 to begin I never received notice of rate increase. I live alone and do not use amount of sewage Aqua claims, live in community with well water, well is metered Aqua refuse to use. Told Mary Mcfall Hopper was willing to pay fore and install meter on home to meter usage, she refused, All I wish is to be billed according to usage, many other residents wish alike. That;s all.

Campstead believes and PUC may find there is corruption in Aqua's actions !

PS. Follow The Money

Raymond Martin
