To: All Parties of Record at Docket No. M-2018-3005975, PECO Energy Company Universal Service and Energy Conservation Plan for 2019-2024 Submitted in Compliance with 52 Pa. Code §§ 54.74 and 62.4

**RE: PECO Energy Company Revised 2019-2024 USECP Compliance Filing,  
Docket No. M-2018-3005795**

*Overview*

On June 16, 2022, the Pennsylvania Public Utility Commission (Commission) entered an Order (June 16 Order) directing PECO Energy Company (PECO) to, *inter alia*, submit a revised 2019-2024 Universal Service and Energy Conservation Plan (2019 USECP) within 30 days reflecting changes consistent with that June 16 Order. The Commission approved the 2019 USECP conditioned upon PECO incorporating the changes directed in the June 16 Order.

On July 18, 2022, PECO filed clean and redlined versions of its revised 2019 USECP (July 18 Compliance Filing).<sup>1</sup> On August 9, 2022, the Commission's Bureau of Consumer Services (BCS) issued a Secretarial Letter (August 9 Secretarial Letter) identifying one area where the revised July 18 Compliance Filing was inconsistent with the June 16 Order. Specifically, BCS noted the needs assessment in the July 18 Compliance Filing did not include updated data for the number of confirmed low-income customers, the number of confirmed low-income payment troubled customers, the number of customers eligible for the Low Income Usage Reduction Program (LIURP), or the projected cost to serve all customers eligible for LIURP. PECO was directed to address this issue in a further revised 2019 USECP or addendum within 20 days. August 9 Secretarial Letter at 1-2.

On August 18, 2022, PECO filed clean and redlined versions of its further revised 2019 USECP (August 18 Compliance Filing) with the requested needs assessment information included. August 18 Compliance Filing at 60.<sup>2</sup> To date, no protests or other responsive pleadings have been filed relative to the August 18 Compliance Filing.

BCS finds that PECO has included appropriate provisions relative to the June 16 Order in its August 18 Compliance Filing.

<sup>1</sup> Unless otherwise specified, all references to the July 18 Compliance Filing refer to the clean version of the revised 2019 USECP.

<sup>2</sup> Docket No. P-2022-3034517, initially assigned when the August 18 Compliance Filing was received, has been deleted. The August 18 Compliance Filing will be addressed solely at Docket No. M-2018-3005795.

*Conclusion*

Accordingly, BCS finds the August 18 Compliance Filing to be compliant with the June 16 Order. Parties have the right to seek reconsideration of this staff action. These staff determinations relative to the review of the August 18 Compliance Filing will be deemed to be the final action of the Commission unless reconsideration is sought from the Commission within 20 days after service of this Secretarial Letter. *See* 52 Pa. Code § 5.44 (relating to petitions for appeal from actions of the staff).
