Re: Compliance Tariff Supplement No. 16 to Wastewater – PA P.U.C. No 1

Dear Matthew Poth:

By Order entered July 14, 2022, the Commission authorized The York Water Company (the Company) to file a compliance tariff supplement consistent with the revised pro forma tariff supplement provided in the supplemental information to the above-docketed application, to be effective on one day's notice. On August 22, 2022, the Company filed Supplement No. 16 to Tariff Wastewater - PA P.U.C. No. 1 to become effective August 23, 2022. The supplement incorporates a portion of Washington Township into the Company's service territory and adds a new rate schedule for Washington Township customers.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 16 to Tariff Wastewater - PA P.U.C. No. 1 is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Marissa Boyle, Bureau of Technical Utility Services, at (717) 787-7237 or maboyle@pa.gov.

Sincerely,

Rosemary Chiavetta
