**(All affidavits must be notarized before filing.)**

- a.) **APPLICATION AFFIDAVIT:** Complete and submit with your filing an officially notarized Application Affidavit stating that all the information submitted in this application is truthful and correct. An example copy of this Affidavit can be found at Appendix A.
- b.) **OPERATIONS AFFIDAVIT:** Provide an officially notarized affidavit stating that you will adhere to the Public Utility Code of Pennsylvania and applicable federal and state laws. An example copy of this Affidavit can be found at Appendix B.

## 12. NEWSPAPER PUBLICATIONS

**Required of ALL Applicants regardless of operating as a supplier, broker, marketer, or aggregator.**

Notice of filing of this Application must be published in newspapers of general circulation covering each county in which the applicant intends to provide service. The newspapers in which proof of publication are required is dependent on the service territories the applicant is proposing to serve.

The chart below dictates which newspapers are necessary for each NGDC. For example, an applicant that wants to operate in Peoples Natural Gas would need to run ads in The Erie Times-News, the Pittsburgh Post-Gazette, and the Johnstown Tribune-Democrat. If the applicant is proposing to serve the entire Commonwealth, please file proof of publication in all seven newspapers.

The only acceptable verification of this requirement is with Notarized Proofs of Publication, which may be requested from each newspaper and must be supplied with this application. Applicants do not need a docket number in their publication. Docket numbers will be issued when all criteria on the item 14 checklist (see below) are satisfied.

## CERTIFICATE OF INCORPORATION

### SWITCHUSON INC.

Under Section 402 of the Business Corporation Law.

The undersigned, for the purpose of forming a corporation pursuant to Section 402 of the Business Corporation Law of the State of New York, does hereby certify and set forth:

FIRST: The name of the corporation is SWITCHUSON INC.

SECOND: The purposes for which the corporation is formed are:

To engage in any lawful act or activity for which corporations may be organized under the business corporation law, provided that the corporation is not formed to engage in any act or activity which requires the act or approval of any state official, department, board, agency or other body without such approval or consent first being obtained.

To establish, maintain and conduct a general service organization for the purpose of buying and selling electric power and energy related systems. To maintain executive and operating personnel for the purpose of buying and selling electric power and energy related systems. Generally to do everything ordinarily done by those engaged in a similar line of business including owning, buying, selling, renting, leasing and otherwise dealing with and disposing of any and all equipment, materials, supplies and accessories necessary to conduct the foregoing, and to dispose of all real and personal property.

To carry on a general mercantile, industrial, investing and trading business in all its branches; to devise, invent, manufacture, fabricate, assemble, install, service, maintain, alter, buy, sell, import, export, license as licensor or licensee, lease as lessor or lessee, distribute, job, enter into, negotiate, execute, acquire, and assign contracts in respect of, acquire, receive, grant, and assign licensing arrangements, options, franchises, and other rights in respect of, and generally deal in and with, at wholesale and retail, as principal, and as sales, business, special, or general agent, representative, broker, factor, merchant, distributor, jobber, advisor, or in any other lawful capacity, goods, wares, merchandise, commodities, and unimproved, improved, finished, processed and other real, personal and mixed property of any

and all kinds, together with the components, resultants, and by-products thereof.

To acquire by purchase, subscription, underwriting or otherwise, and to own, hold for investment, or otherwise, and to use, sell, assign, transfer, mortgage, pledge, exchange or otherwise dispose of real and personal property of every sort and description and wheresoever situated, including shares of stock, bonds, debentures, notes, scrip, securities, evidences of indebtedness, contracts or obligations of any corporation or association, whether domestic or foreign, or of any firm or individual or of the United States or any state, territory or dependency of the United States or any foreign country, or any municipality or local authority within or without the United States, and also to issue in exchange therefor, stocks, bonds or other securities or evidences of indebtedness of this corporation and, while the owner or holder of any such property, to receive, collect and dispose of the interest, dividends and income on or from such property and to possess and exercise in respect thereto all of the rights, powers and privileges of ownership, including all voting powers thereon.

To construct, build, purchase, lease or otherwise acquire, equip, hold, own, improve, develop, manage, maintain, control, operate, lease, mortgage, create liens upon, sell, convey or otherwise dispose of and turn to account, any and all plants, machinery, works, implements and things or property, real and personal, of every kind and description, incidental to, connected with, or suitable, necessary or convenient for any of the purposes enumerated herein, including all or any part or parts of the properties, assets, business and goodwill of any persons, firms, associations or corporations.

The powers, rights and privileges provided in this certificate are not to be deemed to be in limitation of similar, other or additional powers, rights and privileges granted or permitted to a corporation by the Business Corporation Law, it being intended that this corporation shall have all rights, powers and privileges granted or permitted to a corporation by such statute.

**THIRD:** The office of the corporation is to be located in the County of Nassau, State of New York.

**FOURTH:** The aggregate number of shares which the corporation shall have the authority to issue is Two Hundred (200), all of which shall be without par value.

**FIFTH:** The Secretary of State is designated as the agent of the corporation upon whom process against it may be served. The post office address to which the Secretary of State shall mail a copy of any process against the corporation served on him is:

960 Railroad Avenue  
Woodmere, New York 11598

**SIXTH:** The personal liability of directors to the corporation or its shareholders for damages for any breach of duty in such capacity is hereby eliminated except that such personal liability shall not be eliminated if a judgment or other final adjudication adverse to such director establishes that his acts or omissions were in bad faith or involved intentional misconduct or a knowing violation of law or that he personally gained in fact a financial profit or other advantage to which he was not legally entitled or that his acts violated Section 719 of the Business Corporation Law.

IN WITNESS WHEREOF, this certificate has been subscribed to this 7th day of February, 2001 by the undersigned who affirms that the statements made herein are true under the penalties of perjury.

## RPAC Risk/Business Management Policy

### 1. Purpose

The purpose of our Risk Management policy is to embed and include employee wide capability and compliance in our program. RPAC will provide a consistent method of identifying, assessing, controlling, and reporting potential or existing risk within our company.

### 2. Scope

This policy is applicable to all reliable Power entities, and subsidiaries. The risk management methodology is applicable to all energy portfolios in all deregulated markets.

### 3. Policy

Our policy seeks to increase awareness of risk and decrease or eliminate any instances of risk that may occur. Management will work as a team utilizing its experience to convey proper training and knowledge to the team. This team fosters organizational resilience to deal with any possible or unforeseen events. RPAC closely monitor the energy market and assist clients on identifying and mitigating pricing risks through proper hedges. *The hedging practice reduces the client's budget risks and default risks of non-payment, which insures the cash flow for RPAC's operation.* RPAC will recognize and review all risk management opportunities and will attempt to assess and correct before they occur.

### 4. Responsibility

Reliable Power Alternatives Corp. management team has a mandate to 1. Promote risk analysis to all markets to identify volatile period and determine hedging strategy for clients. 2. To proactively monitor any activities that could pose any risk to company or is employees 3. Have discussions with the Executive Management team to assure accountability that risk is managed responsibly and effectively.

## RPAC Senior Management Team

### John R. Martorella

Mr. Martorella brings a 20 plus year history in the power industry and is Chief Executive Officer of RPAC and has served in that capacity since it's inception in February 2001. Prior to that, Mr. Martorella established Power Concepts International, Inc. (PCI) in 1996 where he serves as President. The primary focus of PCI was to work with investors and power producers/developers in the emerging markets of the power industry. Any ongoing efforts of PCI were integrated into RPAC when RPAC was established. From 1995 through 2001, he was also the Chief Operating Officer for Ingenious Designs, LLC, a firm that specializes in manufacturing and marketing of consumer goods through television advertising and national retail accounts. Prior to that, Mr. Martorella spent five years with Fortistar Capital Corporation and its predecessor company, Commercial Union Capital Corporation ("CU"). CU was the financial services subsidiary of British based Commercial Union Assurance, an \$11 billion worldwide insurance company. There he served as Managing Director and Executive Vice President. CU specialized in providing venture capital, financial advisory services and management expertise to the independent power industry and participated in over \$1 billion worth of power industry transactions during the 1990's. Prior to his tenure at CU, Mr. Martorella spent ten years at Trigen Energy Corporation and had executive oversight on many of the companies' largest development deals. During the period he was with Trigen the company grew from a four-person firm to over two hundred people. The company was traded on the New York Stock Exchange for a time and had assets of over \$425 million and annual revenue of over \$200 million. Recently, Trigen bought back it's publicly traded stock and is now privately held. Prior to joining Trigen, Mr. Martorella spent two years at Brookhaven National Laboratory working in the Center for Economic Analysis for Energy Systems where he studied incremental cost pricing for electric utilities. Mr. Martorella holds a Masters degree from SUNY Stony Brook and a Bachelors degree in science from Marlboro College.

### Stuart A. Belloff

Mr. Belloff serves as Executive Vice President of RPAC and brings a diversified and progressive knowledge of Technology and Management skills. He has an in-depth knowledge in Risk Management, Business Continuity Planning and Information Technology processes and solutions.

Mr. Belloff commenced his technical career at General Instruments in 1981 and was selected by Grumman Data Systems to be a Senior Programmer Analyst for the New York State Welfare System project. In 1983, he founded and was the Executive Vice-President of Datatech Inc., an Application Development organization, until 1991 when the company was merged in Microconnections where he established the Applications Development and Sales Division for the company. In 1993, he co-founded and was the President of Comptech Resources, an Internet Development and Disaster Recovery

Company, until it was acquired by 5B Technologies, Inc. (a NASDAQ Company) in 1998. 5B Technologies Inc. named Mr. Belloff Executive Vice-President/Chief Technical Officer with responsibilities that included (i) establishing corporate
