Regarding Docket Numbers:

Hospital Energy, LLC/Environ Energy, LLC
EGS: A-2018-3006502
NGS: A-2015-2478258

Gotham Energy 360, LLC
EGS: A-2021-3024022

Re: Gotham Energy 360, LLC and Hospital Energy, LLC Merger

To Whom It May Concern:

Gotham Energy 360, LLC merged with Hospital Energy, LLC in September 2021. All of Gotham Energy 360, LLC's clients were informed of this transition prior to the acquisition and its clients then became clients of the new entity, Environ Energy, LLC f/k/a Hospital Energy, LLC.

Hospital Energy, LLC's FEIN was 20-3455846. Given that Hospital Energy, LLC changed its name to Environ Energy, LLC this is the FEIN that Environ Energy, LLC is using for broker licensing purposes. (Gotham Energy 360, LLC's FEIN was 26-2732624, and has not changed to my knowledge; however, we do not plan to file anything for Gotham Energy going forward, so any change or lack thereof does not feel relevant to this specific matter.)

At this time, Gotham Energy 360, LLC plans to abandon its EGS license given its annual broker fees and reports are now being paid and submitted by Environ Energy, LLC. Environ Energy, LLC (f/k/a Hospital Energy, LLC) does not plan to abandon either its EGS or NGS license.

Thank you for your help.
