

Hello,

Docket number: A-2022-3034234

Utility Name: TMT PA LLC

Please accept this letter as a request for an extension on our household goods authority application. There were documents that were e-filed, that I learned cannot be e-filed, so I have to mail those forms. Those forms should be received by PUC on 9/8/2022, as we are doing overnight delivery.

Thank you,

Marrissia Axel
