Re: *Electric Generation Supplier License Cancellations of Companies with an Expired Financial Security, Insufficient Financial Security Amount or Language, Docket No. M-2022-3030286*

License Application of EDF Energy Services, LLC for Approval to Offer, Render, Furnish or Supply Electricity or Electric Generation Services as a Supplier of Retail Electric Power, Docket No. A-2014-2438483

Dear Secretary Chiavetta:

EDF Energy Services, LLC (“EDF”) has been granted a license by the Pennsylvania Public Utility Commission (“PaPUC”) as an Electric Generation Supplier (“EGS”) by Order entered November 13, 2014 at Docket No. A-2014-2438483. In a Tentative Order entered August 25, 2022, at Docket No. M-2022-3030286 (“Tentative Order”), the PaPUC tentatively approved the cancellation of EDF’s EGS license due to lack of documentation of a bond, or other approved security.

Consistent with Ordering Paragraph 4 of the Tentative Order¹, EDF has timely cured the security documentation deficiency referenced in the Tentative Order by providing the PaPUC a financial instrument through a separate overnight filing made by BNP Paribas (“BNP Filing”) at Docket No. A-2014-2438483. The BNP Filing amends EDF’s irrevocable standby letter of credit No. 04130873 to an amount sufficient to meet the PaPUC’s current EGS security requirements for EDF. A tracking number for the BNP Filing is available and will be provided to the PaPUC upon request.

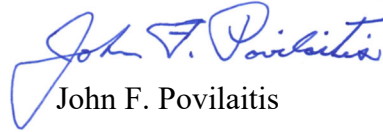

¹ Ordering Paragraph 4 of the Tentative Order states that “alternatively, Electric Generation Suppliers listed in the Supplier Table may provide the Commission an approved security up to and within thirty (30) days after publication in the *Pennsylvania Bulletin*.” EDF’s filing of security is within this due date.

Please advise if you or the PaPUC staff has any questions or concerns regarding EDF's provision of security.

Very truly yours,

John F. Povilaitis
