RE: Philadelphia Gas Works Universal Service and Energy Conservation Plan for 2023-2027
Submitted in Compliance with 52 Pa. Code § 62.4 – Docket No. M-2021-3029323

Dear Secretary Chiavetta:

On June 16, 2022, the Commission issued an Order Directing Supplemental Information and Establishing Comment Period (“Order”) regarding Philadelphia Gas Works’ (“PGW”) Universal Service and Energy Conservation Plan (“USECP”) for 2023-2027 in the above referenced docket. After extension requests were submitted by PGW and the Coalition for Affordable Utility Services and Energy Efficiency in Pennsylvania (“CAUSE-PA”), the deadline for comments on PGW’s USECP was set for August 30, 2022, and reply comments are due 15 days thereafter on September 14, 2022.¹ For the reasons discussed below, **PGW respectfully requests an extension of nine (9) days to submit its reply comments by September 23, 2022.**

The comments submitted by the stakeholders are voluminous and raise approximately 40 distinct issues and recommendations. PGW is working to respond to various issues raised in the stakeholder comments, but this is a time and resource intensive process. Given the limited resources available and the number of distinct issues raised in comments, PGW submits that a 9-day extension will provide adequate time for PGW to provide meaningful responses to the stakeholder comments and will not cause unreasonable delay in the review of PGW’s USECP for 2023-2027.

¹ See the Secretarial Letter dated July 12, 2022.

For these reasons, PGW requests a 9-day extension to submit reply comments by September 23, 2022. Copies of this letter are being served in accordance with the attached Certificate of Service.

Sincerely,

Lauren M. Burge
