Re: Compliance Tariff Supplement No. 17 to Wastewater-Pa. P.U.C. No. 1

Dear Matthew Poth:

By Order entered July 14, 2022, the Commission authorized The York Water Company (the Company) to file a compliance tariff supplement consistent with the revised pro forma tariff supplement provided in the supplemental information to the above-docketed application, and further revised in accordance with the Order, to be effective on one day's notice. On August 31, 2022, the Company filed Supplement No. 17 to Wastewater-Pa. P.U.C. No. 1 to become effective September 1, 2022. Revised pages making corrections to the supplement were filed on September 2, 2022, and September 6, 2022. The supplement incorporates a portion of Greene, Hamilton, and Letterkenny Townships into the Company's service territory, and adds a new rate structure for those customers.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, the supplement is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

Sincerely,

Rosemary Chiavetta
