**PUBLIC STATEMENT
OF THE SMALL BUSINESS ADVOCATE**

The Small Business Advocate is authorized and directed to represent the interests of small business consumers of utility services in Pennsylvania under the provisions of the Small Business Advocate Act, Act 181 of 1988, 73 P.S. §§ 399.41 - 399.50 (“Act”). The Act further provides that the Small Business Advocate is to issue publicly a written statement setting forth concisely the specific interest of small business consumers to be protected by his initiation of or intervention in any proceeding involving those interests before the Pennsylvania Public Utility Commission (“Commission”) or any other agency or court. This public statement relates to the Small Business Advocate’s intervention in the above-captioned Commission proceedings.

On August 4, 2022 Philadelphia Gas Works (“PGW” or the “Company”), filed a Petition for approval to amend its Tariff to place a cap on its Weather Normalization Adjustment (“WNA”). While the Petition proposes to limit the charges and credits appearing on customers’ bills to no more than 25% of the total delivery charges, it is not clear what impact the program may have on small business customers of the Company.

The Small Business Advocate is intervening in the above-captioned proceeding in

order to protect the interests of PGW's small business customers. A thorough inquiry by the Commission into all of the elements of PGW's petition is necessary to ensure that the Company's proposal is in accord with the Public Utility Code and with the Commission's regulations and policies.

In view of the foregoing, the Small Business Advocate is requesting that the petition be subject to investigation and evidentiary hearings before the Commission. The Small Business Advocate will ask the Commission to deny or modify any aspect of the the Company's proposal that is not proven by PGW to be in accord with the Public Utility Code and with the Commission's regulations and policies.
