DATED: September 13, 2022

**BEFORE THE
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

Community Energy, Inc. for Approval of : Docket No. A-110152
Abandonment Services :

**PETITION OF COMMUNITY ENERGY, INC.
TO ABANDON ITS ELECTRIC GENERATION SUPPLIER LICENSE**

NOW COMES Community Energy, Inc. (“Community Energy”), pursuant to 52 Pa Code §§ 54.41, 62.112, and hereby petitions the Pennsylvania Public Utility Commission (“Commission”) for authorization to abandon its electric generation supplier (“EGS”) license. In support of its Petition for Abandonment, Community Energy states as follows:

1. Community Energy’s Application for an electric generation supplier (“EGS”) license was granted by Order of the Commission dated October 25, 2001, at Docket No. A-110152
2. On April 25, 2022, Community Energy notified the Commission of its intention to transfer the bulk of its customers to another supplier by assigning their contracts to the Energy Cooperative Association. Those transfers have been completed.
3. On May 3, 2022, Community Energy also notified the Commission of its intention to transfer its remaining customers to default service. Those transfers also have occurred, having been completed on or before August 30, 2022. Accordingly, Community Energy presently has no customers and has no intention to acquire additional customers. It has withdrawn its listing from the Pa Power Switch website and is no longer accepting calls to initiate service.

4. The Commission's staff maintains a checklist of items that are required to be included in a Petition for Abandonment of an EGS license and these items are addressed below seriatim.

a. **Service on Statutory Parties and impacted Utilities.** See Certificate of Service attached hereto.

b. **Notice to Customers.** Community Energy no longer has any customers.

c. **Transfer of customer load.** Community Energy has no customers and no load.

d. **Tax Letter of Good Standing.** See **Attachment 1** for a copy of the Tax Letter of Good Standing, dated July 28, 2022, from the Department of Revenue.

e. **Resolution of any Active Proceedings.** The attached email from the Bureau of Consumer Services (**Attachment 2**) confirms that there are no active informal proceedings involving Community Energy and the attached docket sheet print out (**Attachment 3**) from the Commission's website, demonstrates that there are no active proceedings involving Community Energy.

f. **PJM Interconnection.** See **Attachment 4**, which is an email from the PJM confirming that Community Energy is current with all of its obligations with the PJM.

g. **AEPSA Compliance.** The AEPSA Administrator's letter confirming that Community Energy is compliant with its Alternative Energy Portfolio Standards Act obligations through the compliance year ending May 31, 2022, is attached hereto as **Attachment 5**. Community Energy served a small number of customers in July and of August of 2022 before transfer of these remaining customers to default service was completed on or before August 31, 2022, and so will have some APESA obligation for the

2022-23 period. Community Energy will work with the Commission staff to determine the amount of that obligation and to retire sufficient credits to satisfy the obligation when the usage information is known.

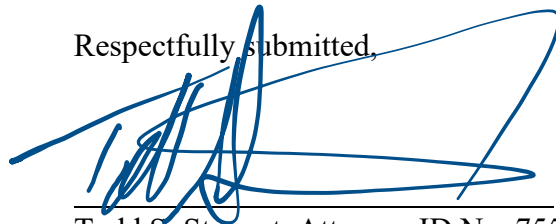

h. **Commission Fees and Assessments.** Attached hereto as **Attachment 6** is an email from the Commission's Bureau of Administration demonstrating that Community Energy is current with all fees and assessments.

i. **Financial Security.** Community Energy's bond with the Commission is in effect through the October, is presently being renewed and will remain in full force and effect until all obligations are met and the Commission authorizes abandonment.

j. If the Commission requires additional information, please direct requests to the undersigned counsel.

WHEREFORE, Community Energy, Inc. respectfully requests that the Commission grant its Petition and authorize the abandonment of its electric generation supplier license.

Respectfully submitted,

Todd S. Stewart, Attorney ID No. 75556
