**Re: Duquesne Light Company - Default Service Plan IX – Petition for Modification
Docket No. P-2022-3034176**

Dear Secretary Chiavetta:

On September 15, 2022, the Pennsylvania Public Utility Commission entered an Order at the above-captioned docket (“Order”) approving the *Petition of Duquesne Light Company for Approval to Modify its Supplier Master Agreement* filed July 29, 2022. Paragraph 2 of the Order directed Duquesne Light Company (the “Company”) to “file a compliance tariff supplement *as necessary*, on at least one-days’ notice, to update the terms of the Default Service Plan in the company’s tariff” (emphasis added).

The Company does not believe that any tariff modifications are necessary to implement the Capacity Proxy Price approved by the Order. The Order approved the necessary modifications to the Supplier Master Agreement, which is not contained in the Company’s tariff. The Company is therefore filing this letter in lieu of a compliance tariff supplement.

Should you have any questions, please feel free to contact me.

Respectfully Submitted,
