**Re: Application of the Department of Transportation of the Commonwealth of Pennsylvania for approval to remove and replace on a new alignment the existing overhead bridge where State Route 1060, Section A20 crosses over the tracks of Norfolk Southern Railway Company (DOT No. 545 164 X) in Bell Township, Westmoreland County and Kiskiminetas Township, Armstrong County, and the allocation of costs incident thereto.  
Docket No. A-2021-3024204**

Dear Secretary Chiavetta:

An objection in the above matter was filed by our firm on June 22, 2022, on behalf of Norfolk Southern Railway Company ("Norfolk Southern") in regard to the acquisition of right-of-way by the Pennsylvania Department of Transportation ("PennDOT"). This acquisition of property was contained in PennDOT's right-of-way plans submitted to the commission for approval on June 2, 2022.

Norfolk Southern since the filing of its objection has resolved the real estate matter with PennDOT and a construction agreement has been executed between the parties. Norfolk Southern therefore withdraws its objection filed on June 22, 2022.

Thank you.

Sincerely yours,

Benjamin C. Dunlap, Jr.
