Dear Attorney Heitmann:

Receipt is acknowledged of the application of American Broadband and Telecommunications Company for approval of the discontinuance and abandonment of CLEC, IXC-R, and IXC services to the public in the Commonwealth of Pennsylvania, which has been docketed to the above number.

It is noted that a Verification Statement is missing, which is required to be filed with all Applications under 52 Pa Code, Section 1.36, and will be submitted to the Commission during the week of September 26, 2022.

Once the Verification Statement deficiency has been corrected and filed with the Commission, we will proceed with the processing of your application.

In accordance with the Commission's Order at M-2020-3019262, Waiver of Regulations Regarding Service Requirements, it is highly recommended that all parties continue to eFile their submissions by opening an eFiling account – free of charge – through our website and accepting EService. All proprietary or confidential materials must either be filed via hard copy or through the Commission's File Share.

This matter will receive the attention of the Commission and you will be advised of any further necessary procedure.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first name being more prominent.
