To Whom It May Concern:

In accordance with Numbered Paragraph 4 of the Commission's Secretarial Letter dated February 23, 2021, in the above-captioned proceeding, the Pennsylvania Department of Transportation has submitted final construction plans, bridge structural plans, traffic control plans, traffic signal plans, for this Commission's approval.

The Pennsylvania Department of Transportation avers that the respective parties have been served with a copy of the plans for review on August 30, 2022, and none of the parties have filed an objection to the approval of the plans with this Commission.

The plans were received by the Commission on August 30, 2022, and are hereby entitled "Exhibit A" consisting of eight hundred and sixty-four (864) sheets.

Please be advised that the above stated set of plans have been certified as the correct plans and are hereby approved.

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.

The Commission has waived certain regulatory service provisions as directed by the Commission's Order at M-2021-3028321. Currently, while the Commission's physical facilities are open for business, some of the operational restraints occasioned by the pandemic remain. It is evident that the pandemic and its changing nature require certain procedural flexibility for the public, the regulated community, and the Commission. Toward this end, the Commission will continue to permit electronic service by the Commission on all parties, regardless of whether a particular party has agreed to electronic service. An exception to this general waiver is where the Public Utility Code requires service by specified means, e.g., Section 702. Additionally, service on Commission staff in proceedings pending before it, whether staff is a party or otherwise, shall be exclusively electronic unless the parties agree otherwise. Filings must be submitted by e-filing with the Secretary of the Commission by opening an e-filing account through the Commission's website and accepting eservice at <https://www.puc.pa.gov/filing-resources/efiling/>. If your filing contains confidential material, you are required to file by overnight delivery to ensure the timely filing of your submission.

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code §§ 1.31 and 5.44, file a Petition for Reconsideration from Staff Action (Petition) with the Commission within twenty (20) days of the date of this letter. The Petition shall be submitted by e-filing said petition within twenty (20) days, or if no timely request is made, the action will be deemed to be a final action of the Commission.

The Petition MUST include: (1) a written statement (divided into numbered paragraphs) outlining the reasons for the request; (2) the case docket number (it is provided for you at the top right-hand corner of this letter); (3) the party on whose behalf the petition is made; (4) a Certificate of Service on the other parties of record; and (5) a Verification with original signature in accordance with 52 Pa. Code § 1.36.

Very truly yours,

Rosemary Chiavetta
Secretary
