## **I. BACKGROUND**

On August 3, 2022, Philadelphia Gas Works (“PGW” or “Company”) filed a Petition to amend its Tariff to place a cap on its Weather Normalization Adjustment (“WNA”).

PGW’s Petition was assigned to the Office of Administrative Law Judge for establishment of an evidentiary record culminating in a Recommended Decision for the Commission’s consideration.

A telephonic Prehearing Conference is now scheduled for September 28, 2022, at 10:00 a.m., before ALJ Marta Guhl (the “ALJ”). In accordance with the Prehearing Conference Order issued by the ALJ on September 19, 2022, I&E now respectfully submits this prehearing memorandum.

## **II. ISSUES**

Currently, I&E is monitoring this proceeding to determine if it will pursue any issues.

I&E notes that this prehearing memo is provided without analysis of the positions of all parties to this proceeding and while the discovery process is still underway. Accordingly, I&E necessarily reserves the right to supplement its issue list as necessary to facilitate the development of a full record in this case. Additionally, most of the issues, if any, raised by I&E will be supported by the Direct Testimony of I&E witnesses. If there are issues of Commission policy or legal interpretation that are not properly the subject of testimony or factual issues that are clear on the record and need not be supported by testimony, I&E reserves the right to dispense with testimony when, in its opinion, an issue can be adequately addressed in Brief.

**III. WITNESSES**

I&E does not currently have a witness assigned to this proceeding. If it is determined that I&E will assign a witness, I&E will notify the Parties.

**IV. SCHEDULE**

I&E will work with the Parties to develop a schedule in this case.

**V. DISCOVERY**

I&E will work with the Parties to develop any necessary discovery modifications.

**VI. SERVICE OF DOCUMENTS**

For purposes of satisfying in-hand service requirements for discovery responses, prepared testimony, briefs and other documents; while operational restraints continue during this proceeding, I&E requests that electronic delivery of documents continue to satisfy the service requirements.

**VII. SETTLEMENT**

I&E intends to participate in any settlement discussions and is willing to work with the parties in an attempt to reach a resolution of any or all issues.

Respectfully submitted,
