Case # C-2022-3032000

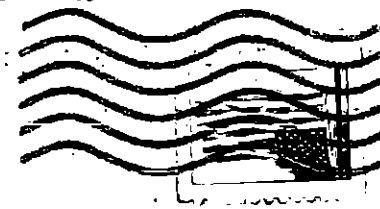

I do not agree with this  
decision, and I will like  
comment on the initial Decision

I am written and mailing in my  
statement, which I was informed  
that I can. Because I have  
a problem e-filing. I am not able  
to agree with the down payment  
agreements and monthly charges.  
I want some to hear me out on  
this decision. I am 65 year  
old, I have other expense and  
and can barely buy and pay for  
medication. Please hear me out  
I need something I can approve  
I am very stress out right now.  
I do have medical condition, seizure  
disorder. This is really stress me  
out. Rosa Brown
