**RE: Smart Meter Charge
Effective October 1, 2022
M-2022-3035477**

Dear Mr. Zimmerman:

The Bureau of Audits has reviewed Duquesne Light Company's supporting rate computations for the Smart Meter Charge (SMC) submitted on September 21, 2022 to become effective on October 1, 2022. The SMC charge is unchanged from the prior period and therefore no tariff supplement update is necessary.

Based upon staff review, it appears that the proposed Smart Meter Charge (SMC) rates for the three-month period of October 1, 2022 through December 31, 2022 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The SMC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2022-3035477.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rosemary Chiavetta', written in a cursive style.
