RE: Distribution System Improvement Charge
Effective October 1, 2022
Docket No. M-2022-3035485

Dear Mr. Zimmerman:

The Bureau of Audits has reviewed Duquesne Light Company's proposed Supplement No. 51 to Tariff Electric-PA P.U.C. No. 25 and the supporting rate computations submitted on September 21, 2022 to become effective on October 1, 2022.

Based upon staff review, it appears that the proposed Distribution System Improvement Charge (DSIC) rate for the three-month period of October 1, 2022 through December 31, 2022 is consistent with the tariff and, accordingly, is permitted to become effective as filed.

The DSIC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa.C.S. § 1307(e).

Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2022-3035485.

Sincerely,

Rosemary Chiavetta
Secretary
