Lee,

I am resending the proposed e-file letter for your review. I noticed the new owner's name was shown slightly different than what I sent you yesterday. Also, I was given a "Client Number" for Monona, which is: 341458.

Please let me know if this new information helps.

Thank you,

Yes indeed, an hour ahead and 20 degrees above, I did look over the letter, it appears the Monona Farms is not a registered pipeline operator not did they report the pipeline assets, I searched under "Monona" and "Stickle" was unable to find anything, we had a similar situation in the past, but the entity buying the assets had registered with the PUC and reported the exact miles of the pipelines so it was no problem absolving the former operator since the assets were accounted for via the new operator registering them. That appears not to be the case here, do you know if the buyer is operating under a different name?

Re: Pipeline Operator Registration

Good Day Mr. Stickle,

Calvin Banks from Burnett Oil Co. informed me the Mononoa LLC acquired pipeline assets from Burnett Oil Co. located in Westmoreland Co. as of July 1, 2018.

I am unable to find Mononoa LLC's registration per the Act 127. Do you know if Mononoa LLC is still operating the pipelines, if so were these registered with the PA PUC?

Please let me know at your earliest convenience.

Lee
