RE: Letter of Notification of PECO Energy Company, Filed Pursuant to 52 Pa. Code Chapter 57 Subchapter G, for Approval to Remove and Replace Seventeen Wood Structures in Havertown, Haverford Township, Delaware County, Pennsylvania
Docket No. A-2022-3034261; Utility Code: 110550

Dear Secretary Chiavetta:

On August 4, 2022, PECO filed a Letter of Notification (“LON”) requesting approval to remove and replace seventeen wood structures in Havertown, Haverford Township, Delaware County, Pennsylvania that are at end of life. The Commission issued an Order approving the filing on September 15, 2022.

At the time of filing, the project had a construction completion date of November 2, 2022. While a portion of the work under the 130-36 LON will be completed on the original schedule, due to supply chain issues and permitting delays, it is now anticipated that the full scope of the work will not be completed until April 2023. The additional outage required to complete the work on the 130-35 line is scheduled for April 9, 2023 through April 30, 2023.

Should you have any questions concerning this matter, please contact me at the address or telephone number provided above.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "JS Johnson". The signature is written in a cursive, flowing style.
