Dear Secretary Chiavetta:

This firm represents Marathon Power, LLC (“Marathon”). Please accept this supplemental filing in connection with Marathon’s request to maintain its current financial security reduction of 5% of its most recent 4 quarters of gross receipts, in accordance with the Commission Order deemed final on October 16, 2018, at Docket No. P-2017-2608078. Marathon’s Financial Security Reduction Petition was granted on June 29, 2022, and expires on December 31, 2022. The initial annual compliance filing was submitted on September 30, 2022. The confidential version is being sent via FedEx and the public version is being e-filed.

This supplemental filing includes the following documentation, redacted for confidentiality, which were not available at the time of the initial filing:

- Department of Revenue Tax Status Letter of Good Standing;
- Proof of financial security compliance; and
- Proof of compliance with Alternative Energy Portfolio Standard obligations. Marathon’s receipt of the invoice was delayed due to the Director who signs the invoice being out of the office. Marathon received the invoice for Tier 2 Alternative Compliance Payment on October 5, 2022 and mailed a check for the payment to the PUC on October 7, 2022.

Please do not hesitate to contact me with any additional questions or concerns.

Very truly yours,

  
Murray E. Bevan
