Re: Pennsylvania Public Utility Commission,
Bureau of Investigation and Enforcement v.
East Dunkard Water Authority
Docket No. C-2021-3027615
I&E Letter

Dear Secretary Chiavetta:

The above-referenced matter has been the subject of various correspondence provided by individuals who are not parties to the proceeding. The Bureau of Investigation and Enforcement (“I&E”) appreciates that the Secretary has circulated such correspondence to the parties and presiding officer and placed this correspondence in the case docket in order to cure *ex parte* concerns. However, I&E wishes to emphasize that such communications should not be considered at this stage when evaluating the merits of the Joint Petition for Approval of Settlement filed by I&E and the East Dunkard Water Authority, as the communications are premature. Rather the opportunity for such non-party comment has not yet been afforded. Accordingly, the extra-record information set forth in non-party correspondence should not be considered in the preparation of an Initial Decision in this matter.

A copy of this letter has been served on the party of record in accordance with the attached Certificate of Service.

Respectfully,

A handwritten signature in blue ink, appearing to read 'Stephanie M. Wimer', is written over a light blue horizontal line.
