Subject: RE: RAA & ATT F-1 Request for Diamond Energy East, LLC (SF Case# 168765)

At some point in October, PJM will make its routine quarterly update to reflect the addition of Diamond Energy East, LLC as a party to the RAA. This will modify Schedule 17 once FERC acts on that filing.

Per RAA, section 16.4, one becomes a Party to the RAA by executing a counterpart of the Agreement (which Diamond Energy East, LLC has done, per attached). We've confirmed receipt of your signature page.

Thanks.
