**RE:** National Fuel Gas Distribution Corporation's ("**National Fuel**")  
Universal Service and Energy Conservation Plan for 2022-2026 ("**Plan**")  
at Docket No. M-2021-3024935 –

Status Update Relative to Implementation of Online LIRA  
Interface/Application ("**Online Application**") per May 3, 2022 Order of the  
Commission

Dear Secretary Chiavetta:

Reference is made to my correspondence dated December 30, 2021 which was filed at the above-referenced docket, in which National Fuel reported, *inter alia*, that it was: (a) working closely with Dollar Energy Fund, Inc. ("**DEF**") relative to the design, deployment, and (b) working to have the Online Application available to its Customers.

Please allow this correspondence to confirm that as of the date written above, National Fuel is continuing to work with DEF on the design and deployment of the Online Application. In this regard, National Fuel has provided all pertinent information relative to the content of the Online Application, with DEF continuing to take the final steps necessary to make the Online Application available via a link on National Fuel's website and via a link on DEF's website. National Fuel is working closely with DEF to make sure this process is completed as swiftly as possible – and prior to the date upon which the Plan will be effective.

National Fuel will provide a subsequent status update in November, 2022 or as otherwise may be directed by the Commission. In the meantime, should you have any questions or concerns, please do not hesitate to contact me at (814) 871-8177.

Very truly yours,

Dominick A. Sisinni
