To the Honourable Judge

Your honor, I am sorry to send you another email regarding the pending litigation against East Dunkard Water Authority, but I thought that you should personally see my water bill that came today in the mail with the added charge for the PUC. As you can see there is the PennVest charge, the water charge and then PUC for the rate of \$16.07 that would be an overpayment to begin with. I will be disputing this charge as, of course, the case is still in litigation and a finalized penalty, if any, has not been set and the case is still open. This is simply extortion of the East Dunkard Water Authority customer base. After past litigations that can be viewed on the Greene County Prothonatary website I do not wish to give them money and trust that I would receive a refund if the fines are dropped.

Respectfully,

Clarissa Egggers
